

Harvest Oil & Gas Seeking to List on the OTCQX Market

HOUSTON, June 12, 2018 – Harvest Oil & Gas Corp. announced today that it is in the process of registering for its shares to be traded and quoted on the OTCQX market, which is operated by OTC Market Group, Inc. The OTCQX market is an interdealer quotation system providing real time quotation services, which the Company believes constitutes an “established securities market” within the meaning of the Foreign Investment in Real Property Tax Act of 1980. The Company expects the new listing to go effective during the third quarter of 2018.

About Harvest Oil & Gas Corp.

Harvest is an independent oil and gas company engaged in the acquisition, efficient operation and development of onshore oil and gas properties in the continental United States. The Company’s assets consist primarily of producing and non-producing properties in the Barnett Shale, the San Juan Basin, the Appalachian Basin (which includes the Utica Shale), Michigan, Central Texas (which includes the Austin Chalk area), the Mid-Continent areas in Oklahoma, Texas, Arkansas, Kansas and Louisiana, the Permian Basin, the Monroe Field in Northern Louisiana, and Karnes County, Texas. More information about Harvest is available on the internet at hvstog.com.

Forward Looking Statements

This press release contains certain statements that are, or may be deemed to be, “forward-looking statements” within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. All statements, other than statements of historical facts, included in this press release that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward-looking statements, including statements on the uncertainty that any trading market for common stock will exist or develop in the over-the-counter markets and timing of listing on the OTCQX. We have based these forward-looking statements largely on our current expectations and projections about future events and financial trends affecting the financial condition of our business. These forward-looking statements are subject to a number of risks, uncertainties and assumptions, including, among other things, the risk factors discussed in this press release and in EV Energy Partners, L.P.’s most recent Annual Report on Form 10-K for the year ended December 31, 2017, as well as in other reports filed from time to time by EV Energy Partners, L.P. and the Company with the Securities and Exchange Commission, most of which are beyond our control. The words “believe,” “may,” “estimate,” “continue,” “anticipate,” “intend,” “plan,” “expect,” “indicate” and similar expressions are intended to identify forward-looking statements. All statements other than statements of current or historical fact contained in this press release are forward-looking statements. Although we believe that the forward-looking statements contained in this press release are based upon reasonable assumptions, the forward-looking events and circumstances discussed in this press release may not occur and actual results could differ materially from those anticipated or implied in the forward-looking statements.

Any forward-looking statement speaks only as of the date on which such statement is made and we undertake no obligation to correct or update any forward-looking statement, whether as a result of new information, future events or otherwise.
